Administrator Blumenfeld, just a note to express my sincere appreciation for setting up this past Tuesday meeting with a number of folks including Horst Greczmiel and Colonel Colloton. The Tohono O'odham Nation looks forward to continued dialogue on the subject of environmental issues surrounding the proposed Rosemont Mine project.

During the meeting I mentioned my testimony on the Impacts of the Declaration on the Rights of Indigenous Peoples for the Tohono O'odham Nation. I have attached a copy for your consideration.
